## Total Apps Tracked (72)

This is the total number of apps presently tracked by the Emory Mobile App Distribution process and includes apps bound for internal and public distribution as well as apps in the concept stage and recently retired apps.

## In Concept, Cost Estimation, Design, or Development (7)

**Note: Not all apps in design, cost estimation, and development are known by Emory IT. Some apps only come to the attention of central IT as part of the review and distribution process.**

1. Phenylketonuria (PKU) Mobile and Web Apps (concept, cost, and design complete, no funding yet)
2. Surgical Safety Checklist (starting use case documentation---no analysis, design, or cost materials available yet)
3. Emory Healthcare Provider App (use cases documented, preparing cost estimate)
4. Emory Login Demo (in development)
5. Pediatric Blood Pressure (concept and cost estimation complete, no funding yet)
6. Heart Failure Education & Fluid Tracking App (no analysis, design, or cost materials available yet)
7. Catatonia App (concept and cost estimation complete, no funding yet)

## Under Review for Public Distribution (17)

1. SUGARx (Emory App Catalog for iOS)
2. AMoSS (Emory App Catalog for Android)
3. CarlosVR (Emory App Catalog for Android & iOS)
4. Theater Emory (Google Play & Apple App Store - under review for transfer)
5. ePrEP (under development)
6. SMART (Emory App Catalog for Android & iOS)
7. Med Buddy (Emory App Catalog for Android & iOS)
8. HealthLife (under development)
9. PrEP@Home (under development)
10. SNOT (under development)
11. HealthMindr (under development)
12. Emory New Students (formerly Towards Emory) (Submitted for review. To be uploaded to Emory App Catalog for iOS and Android)
13. Emory Baby (Emory App catalog for Android & iOS)
14. Pollen Nation (Emory App Catalog for Android & iOS)
15. WinshipMD (Emory App Catalog for Android & iOS)

16. [CBCT App](#) (Emory App Catalog for Android & iOS)
17. [BBA Go](#) (Emory App Catalog for Android & iOS)

## Under Review for Internal Distribution (2)

1. [CHAMPS Image Application](#) (Emory App Catalog for Android)

## Publicly Distributed Apps - Reviewed and Approved (16)

**Note: All publicly distributed Emory apps are also distributed internally at various points in their lifecycle. Publicly distributed production apps in public marketplaces are ultimately listed at links in the internal Emory Mobile App Catalog. These listings of public and internal apps are distinct so as to communicate clearly which apps are bound for public and internal users. Click on the marketplace name for a link to each app's official listing in the marketplace.**

1. [Emory Mobile](#) (Google Play & Apple App Store)
2. [Emory Healthy Aging](#) (Google Play & Apple App Store)
3. [Emory AWAKE](#) (Google Play & Apple App Store)
4. [Surgical Anatomy of the Liver](#) (Google Play & Apple App Store)
5. [Emory Liver Transplant](#) (Google Play & Apple App Store)
6. [Anatomy of the Male Pelvis](#) (Google Play & Apple App Store)
7. [ReliefLink](#) (Apple App Store)
8. [iChoose Kidney](#) (Apple App Store)
9. [Biocatalogue Mobile](#) (Apple App Store)
10. [Emory Patient Portal](#) (Apple App Store)
11. [Emory Health Magazines](#) (Apple App Store)
12. [HU Buddy](#) (Google Play & Apple App Store)
13. [ReadyVax](#) (Google Play & Apple App Store)
14. [The Brain at Work Experiment](#) (Apple App Store)
15. [Surgical Anatomy of the Lung](#) (Google Play and Apple App Store)
16. [UrApp](#) (Emory App Catalog for Android & iOS)

## Unreviewed, Unapproved, Publicly Distributed Apps (16)

**These apps have been found in public marketplaces and bear prominent references to Emory University or Emory Healthcare. These may be apps that pre-date Emory's 2014 review policies or apps that have been published without proper review. All of these apps should be reviewed, distributed by Emory, and migrated to the Publicly Distributed Apps category or removed from public marketplaces.**

For more details see the [Unreviewed, Unapproved, Publicly Distributed Apps](#) page

## Internally Distributed Apps (15)

1. [Emory App Catalog](#) (for iOS & Android, download at <https://mobile.apps.emory.edu> or <https://mobile.apps.emoryhealthcare.org>, see the start page for instructions)
2. [PMATT \(Dev\)](#) (Emory App Catalog for Android)
3. [Codes](#) (Emory App Catalog for iOS & Android)
4. [EHMC](#) (Emory App Catalog for iOS)
5. [3D Liver](#) (Emory App Catalog for iOS)
6. [MTP](#) (Emory App Catalog for iOS)
7. [SCIP for Surgery](#) (Emory App Catalog for iOS)
8. [Knowledge Builder App](#) (limited Emory - Emory App Catalog for iOS)
9. [Carlos Mobile](#) (limited Emory - Emory App Catalog for iOS)
10. [WebEase](#) (limited Emory - Emory App Catalog for iOS)
11. [e-Vantage](#) (QA limited Emory - Emory App Catalog for iOS & Android)
12. [Safety Reporting](#) (DEV limited Emory - Emory App Catalog for iOS)
13. [Post Tx Meds](#) (Emory App Catalog for iOS)
14. [ComeClean](#) (Emory App Catalog for iOS)
15. [SMARTDM2](#) (Emory App Catalog for iOS & Android)

## Unreviewed Apps (1)

These apps started the review process (or were preparing to start the review process) but are no longer planned for release.

- [INFORMED](#) (under development)

## Retired Unreviewed or Unapproved Apps (4)

These apps were found in public marketplaces bearing prominent references to Emory University or Emory Healthcare, and either pre-dated or were published without completing the appropriate review process. They have since been removed from public app stores.

1. Emory Bubble (Google Play & Apple App Store, Campus Bubble App Store Account)
2. Emory HF Study (Unreleased), (Google Play, Michael Daugherty App Store Account)
3. Simon Web Emory/Grady Paging (Apple App Store) (Evan Schoenberg App Store Account)
4. EAH Smyrna Connect (Apple App Store & Google Play, Adventist Health System App Store Account)

## Review and Approval Processes

For descriptions of the processes and contact information see [Emory Mobile App Distribution Process for Public Apps](#) and the [Emory Mobile App Distribution Process for Internal Apps](#).
