

Public App Approval Details - CarlosVR

If you find anything in error, please contact Stephanie Rodgers (srodge5@emory.edu).

Application Information

Application Name: CarlosVR

Emory Application Owner: Jennifer Long (JLONG02)

Application Technical Contact: Jami Becker (jami@nektr.io)

Application Support Model:

Application Administration Model:

Application Description: CarlosVR enables users to view virtual reality content including 360 degree videos and exhibitions of Carlos Museum generated content. At present, the museum has one video and one virtual gallery that benefit from optimized viewing using google cardboard via this app. The museum may add additional content in the future. The museum worked with an outside, volunteer/sponsor vendor, Nektr, and the Emory Center for Digital Scholarship to produce this app and the available virtual content.
