

EdUnify Demo Registry Webinar

We will offer two sessions of a webinar in early June to demonstrate the EdUnify registry and to offer assistance to those wishing to add their own services to test the registry. Please invite appropriate people from your organization to participate and don't forget to bring the WSDL for some services to register.

View a Flash demo of the demo EdUnify registry right now [here](#).

- June 1, 2010 2pm-3pm EDT [Register for this event here](#)
- June 3, 2010 10am-11am EDT [Register for this event here](#)
