

IT Architecture Planning & Guidebook

In 2009 the OIT Architecture group completed a list of enterprise IT architecture initiatives in collaboration with other OIT units and college and school IT directors represented on the ITPC. The list of initiatives was published as a wiki and is available at:

<http://wiki.service.emory.edu:8000/display/cita/IT+Architecture+Wiki>

This list is periodically updated to reflect changes in IT architecture standards, practices, and implementation status of major initiatives.
