

Technical Work Group

Note: technical work group meetings will resume Thursday, June 3, 2010

The technical work group are volunteers from the task force focused on aspects of the technical architecture, design, and proof-of-concept for EdUnify. Anyone on the task force can sign up to participate. The group has weekly web conference on Thursdayss 3-4 pm eastern time. The web conference connection information is:

<https://www2.gotomeeting.com/join/244546794>

Use your microphone and speakers (VoIP) - a headset is recommended. Or, call in using your telephone.

Dial 218-844-4939

Access Code: 244-546-794

Audio PIN: Shown after joining the meeting

Meeting ID: 244-546-794

Please sign up below to participate. You may also just call in and observe or participate casually. We've had more people on the initial calls than who have signed up below.

Sign-up
