Application Description: Emory College & Oxford College New Student Guides

Explain what the app does: The app is primarily used as a tool for a mobile version of the Orientation schedule. There is also resources available to assist new students as they are on-boarded to campus (this includes information regarding move-in, class registration, etc.) - while some of this links to an external site (like Canvas) no information stays inside the app. The primary users for this application are new students coming into Emory College and Oxford College as well as transfer students and family members/guest on campus for Move-In.

Full Description: Begin your time at Emory with New Student Orientation! Your first few days are full of informative and interactive programs to prepare you for starting at Emory! We're happy to welcome first-year students, transfer students, and their families to campus. Orientation is an important step to have a successful transition to life at Emory. This app will help you to navigate and personalize your orientation experience.

Current Issues

APP NO LONGER TO BE RELEASED BY OR THROUGH EMORY.

Orientation on both campuses has decided they are going to let the Mobile App lapse and are going to move forward with a Branded Space only. So we'll be removing the app from stores shortly.
