

Public App Approval Details - Emory Liver Transplant

Application Information

Application Name: Emory Liver Transplant

Emory Application Owner: Michael Palgon

Emory Application Technical Contact:

Application Support Model: Emory IT Unit (LITS)

Application Administration Model:

Application Description: This app is designed for community Gastroenterologists and other providers to easily submit referrals directly to the Emory Liver Transplant Center. In addition to submitting referrals, providers can review the bios of all Emory Liver Transplant physicians, learn about relevant research and clinical trials, review liver transplant outcomes at Emory, read the latest liver transplant news, and calculate their patients' MELD-Na score.
